For the seismic site visit it will be myself, Cliff Munson, and Yong Li from NRC and 3 others from USGS. I am waiting for feedback from Cliff on your proposed agenda items.

I am trying to firm up some things for the seismic visit.  
Can you tell me who will be coming other than yourself and Cliff Munson?  
Or at least how many others?

Also, we would propose something similar to the following agendas for each day.

Are these acceptable or did you have something else in mind?

Did we miss any specific topics you would like to discuss?

Any specific items you would like to hear about in the presentation?

#### Tuesday Meeting Agenda (proposed)

- \* 8:00-8:30: Introductory comments by Exelon and NRC.
