Subject: Re. License Termination			
<p>Summary:</p> <p>Mr. Rivera called and left a message the week of August 1 to provide an update on activities being performed in support of the requested termination of License No. 06-07552-02. He stated that he had located documentation of the disposition of numerous sources previously-approved under this license. He also wanted to know if the request for a statement that no other licensed material remains on site required a survey. I returned Mr. Rivera's call on 8/10/04 after I returned from training. Mr. Rivera is on vacation until 8/16/04. I left him a message that he did not need to submit a survey, but that he needed to provide assurance that no additional licensed material is on site. I also requested that he submit the disposition documents with his response.</p>
