

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

July 24, 1998

MEMORANDUM TO: David L. Meyer, Chief
Rules and Directives Branch
Division of Administrative Services
Office of Administration

FROM: Frederick C. Combs, Acting Director
Division of Industrial and
Medical Nuclear Safety, NMSS

SUBJECT: FEDERAL REGISTER NOTICE

Attached is a Federal Register Notice (FRN) soliciting comment on the proposed revision of the Commission's Medical Use Policy Statement. Also attached are the letters to the Congressional oversight committees that announce the publication of the proposed revision in the Federal Register.

Please hold this package until receipt of the FRN for the proposed revision of Part 35 because the SRM directed the staff to ensure that the FRNs for the revised policy statement and proposed rule are issued sequentially on the same day.

Attachments:

1. FR Notice
(5 Copies)
2. Congressional Letters
3. Diskette (electronic version)
