Subject: Employee Location by Zip Codes

This e-mail responds to a request made by Tom Kenyon and Eva Hickey on January 27th to provide a listing of the location of residence for the employees working at CPS. Attached is a list of U.S. postal service (zip) codes and the percentage number for the number of CPS employees within each particular zip code. The attached list was compiled from data obtained in March 2003. Understand that the list may not add up to 100% due to decimal round off errors.

If you should have any further questions, please feel free to contact me at any time.

Bill
