Subject: Chemical Application Specifications

Mike - attached are the 2 docs I believe you are referring to, as well as another 7-page guideline our Forestry Dept has used. The compilation of the Forestry Dept's ROW maintenance practices I have been told is on the FERC website.

Also - for the barking tree frog - it is listed in Surry's FEIS NUREG-1437 Supplement 6 on pages 2-24 and 2-25.

(See attached file: Herbicide Application (foliar) Specifications.doc) (See attached file: Herbicide Application (basal) Specifications.doc) (See attached file: Pages from Dominion T-Line Maintenance Docs.pdf)
