Subject: North Anna Monitoring Reports requested from 8/4/04 telecon

Mary Ann - Attached is a monitoring report from our Environmental Biology Lab that was requested on the 8/4/04 telecon with Jack Cushing and Andy Kugler. I believe Duane or Lance was asking for this. The attached report was sent to VDEQ ~7/21/04. In addition, I am sending overnite Annual Reports for 1999-2001. 2002 is still in production.

Please contact me with any questions. Thank you.
