Subject: Plans and Procedures Thorium Remediation Project Kaiser Aluminum & Chemical Corporation Tulsa, Oklahoma

Dear Mr. Buckley:

By letter dated June 18 regarding the above subject several plans and procedures were transmitted. It was recently discovered that the undersigned failed to date the signature sheet for Kaiser procedure KAI-09. This is to certify that the review was completed by June 14, 2004 and the cover sheet was signed on June 14, 2004.

Sincerely,

L. Max Scott, PhD
Kaiser Radiation Safety Officer
Tulsa Thorium Remediation Project
