Dear Ms. Reed:

Under the provisions of the Freedom of Information Act, 5 U.S.C. 552, I am requesting copies of any and all communications, including, but not limited to, letters; electronic communication (e.g. e-mails); faxes; phone messages; memos and reports; as well as any attached documents (memos, diagrams, illustrations, etc.); between your office and its individuals and any of the following individuals and/or organizations, their official offices, or designated agents:

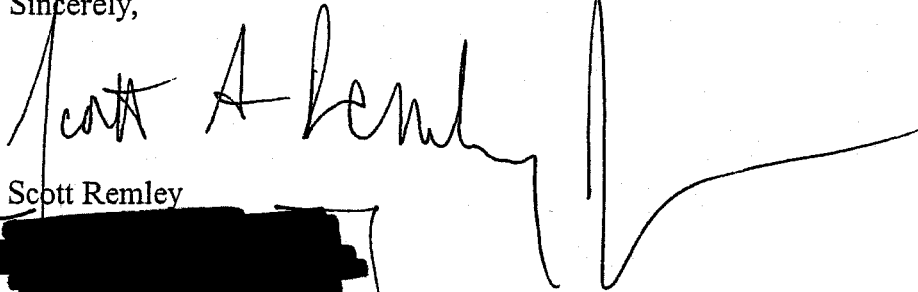

CO Department of Natural Resources (1989-1994)  
CO Office of the Attorney General (1998-present)  
CO Office of the Governor (1987-1991)  
Mr Kenneth L. Salazar of Denver, CO  
Ms Hope Hernandez Salazar of Denver, CO

For your purposes in fulfilling this request, please consider me under the category of "all other organizations," as defined by the Freedom of Information Act. If there are any fees for copying or searching for the records I have requested, please inform me of the cost prior to searching or copying, if the total exceeds \$15.

If all or any part of this request is denied, please cite the specific exemption, which justifies your refusal to release the information and inform me of your agency's administrative appeal procedures available to me under the law.

I understand that this request is of a large nature, thus please provide results on a rolling basis, as made available. If it were easier to provide in an electronic format, it would be greatly appreciated. I appreciate your handling of this request as quickly as possible and I look forward to hearing from you within 10 working days, as the law stipulates. Thank you for your attention to this request.

Sincerely,

A handwritten signature in black ink that reads "Scott A. Remley". The signature is written in a cursive style with a long, sweeping horizontal line extending to the right.
