SUBJECT: REMEDIAL WORK PLAN, BRECKENRIDGE DISPOSAL SITE,
ST. LOUIS, MICHIGAN

Dear Mr. Travers:

This refers to your August 27, 2004, letter, with attached changes to the remedial work plan, which was provided in response to our letter dated August 25, 2004, regarding the Remedial Work Plan, Revision 1, for the Breckenridge Disposal Site located outside St. Louis, Michigan. We have completed our review of the changes to your remedial work plan and have determined that the final remedial work plan adequately addresses the issues identified in our letter dated August 25, 2004. Therefore, you may proceed with the remediation effort as described in your final remedial work plan.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and the revised remedial work plan will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

If you have any questions or require clarification of any of the information stated above, please do not hesitate to contact me at (630) 829-9821, or Dr. Peter J. Lee at (630) 829-9870.

Sincerely,

/RA/

Kenneth G. O'Brien, Chief
Decommissioning Branch
Division of Nuclear Materials Safety
