¹ NRC assumes that ten percent of new applicants will seek certification through paragraph (b) requirements.

² NRC is proposing a 2 year implementation period for the training and experience requirements in Part 35. Therefore, the licensee burden for the requirements listed in Table 1a would not become effective until the third year of the clearance period and has been annualized over 3 years (120 hours / 3 years = 40 hours/year).

² Under the "Policy Statement on Adequacy and Compatibility of Agreement State Programs," approved by the Commission on June 30, 1997, the Agreement States are not required to adopt NRC program elements required for compatibility for 3 years. Therefore, it is expected that the Agreement States will not adopt compatible training and experience requirements within the period covered by this clearance.

Appendix A, Part I, Item 12 ¹ and Part III, 3 (Development and Submission of New Application Materials and Sample Exam)	4 ²	1	244	976
Appendix A, Part III, 2 (Development of Question Bank)	39	1	40	1560
			Total	2,956

¹ Appendix A, Part I, Item 12 encompasses the requirements of Items 1 through 9 and 11 in Part I and Items 1 and 2 in Part II.

² NRC anticipates that of the 39 organizations seeking to become certifying bodies, ten percent (4) will be required to develop new materials and procedures in accordance with Appendix A. The remaining 35 organizations will submit existing materials in accordance with these requirements.

* NRC approved testing organizations are expected to be adopted by Agreement States. Agreement States are not expected to approve additional organizations, based on experience under the current Part 35.
