ALL AGREEMENT STATES, PENNSYLVANIA, MINNESOTA

TRANSPORTATION REGULATION UPDATE SEMINAR (STP-04-066)

By All Agreement State Letter (STP-04-017), we informed you that the transportation regulations were changed and will be effective October 1, 2004. We conducted training sessions in three of the regions for NRC and Agreement States on the updates. We will conduct another session scheduled for October 13-14, 2004 in King of Prussia, Pennsylvania. Since all States were not able to be accommodated through these training sessions we videotaped one of the sessions.

Under separate cover, we will provide one copy for every Agreement State program. You will receive two DVD's and a CD. The CD includes the course materials that were used in the training sessions. The DVD's and CD may be copied to meet your needs.

If you have any questions regarding this correspondence, please contact me or the individual named below. If you have any questions on the course material please contact David Pstrak at 301-415-8486.
