In the Matter of
EXELON GENERATION COMPANY, LLC
(Early Site Permit for Clinton ESP Site)
Docket No. 52-007-ESP

Dear Administrative Judges:

Pursuant to Memorandum and Order LBP-04-17, dated August 6, 2004, the Staff herein provides notice that a separate folder entitled "Exelon-052-007-ESP Hearing File"¹ has been created in the agency's ADAMS system and is available for viewing. This folder contains copies of the ADAMS files for all materials included in the hearing file pursuant to 10 C.F.R. § 2.1203, as well as those disclosed pursuant to 10 C.F.R. § 2.336(b) (collectively, the "Hearing File"). A list containing the ADAMS accession number, date, and title of each item in the Hearing File is attached hereto. Also attached, as required by 10 C.F.R. § 2.336(c), is the Affidavit of Nanette V. Gilles.

As required by 10 C.F.R. § 2.336(b)(5), the staff is also producing a privilege log at this time. In addition, as directed by the Licensing Board, the staff shall preserve and maintain all privileged documents during the pendency of this proceeding.

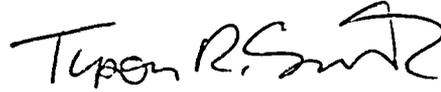

¹ In LBP-04-17, the Licensing Board directed the staff to label the folder, Exelon Generation Company - 52-007-ESP Hearing File." The ADAMS field for folder labels, however, is not large enough to accommodate this label. Accordingly, the title of the folder had to be shortened.
