PART I.C COMMENTS (Use attached Comments continuation page if required)

As a requester categorized as "Non-Excepted" you are entitled to 100 free pages of duplication. However, we are unable to provide you with 100 free pages of duplication because the latest record in the possession of the NRC, identified in Appendix A, is a copyrighted document. Therefore, we are prohibited from reproducing any of the document. Arrangements to view the document can be made by contacting the NRC's Public Document Room (PDR) at 1-800-397-4209 or by e-mail to pdr@nrc.gov. NRC's PDR is physically located at One White Flint North, 11555 Rockville Pike, Rockville, MD 20852.

NRC staff have indicated that the Environmentalists for Nuclear Energy have produced a 2001 document intended to "inform the public in a complete and honest way concerning the causes of the Chernobyl Event: why this explosion happened? What are the sanitary damages? Why this event and its consequences were easily avoidable?" This document is publicly available via http://www.ecolo.org/documents/documents\_in\_english/Causes.ChernobylJF.doc
