Hi Kathy:

You can send any correspondence to me at the following address:
Advantage Engineering/CTI
7584 Morris Court, Suite 200-A
Allentown, PA 18106

I reminded the RSO about the necessity to do the leak tests on all gauges to keep the schedule current.

As to the extra pages (Serra stuff) attached to the FAX; those sheets were picked up by mistake when I sent the FAX to you. You may discard those sheets.

Regards,
M. C. Demyan
