WASHINGTON 25, D. C.

IN REPLY REFER TO  
MEDCE-OH

5 February 1960

Isotopes Branch  
Division of Licensing and Regulation  
U. S. Atomic Energy Commission  
Washington 25, D. C.

Gentlemen:

Recommend approval of inclosed application for Byproduct Material License for Diamond Ordnance Fuze Laboratories, Washington 25, D. C. for 50 microcuries of Americium 241.

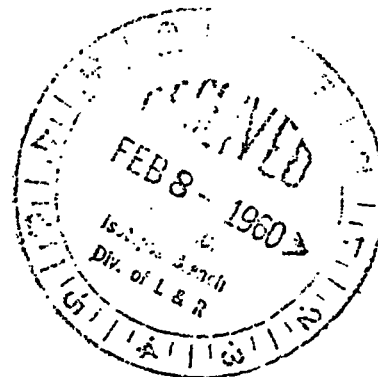

Arrangements are being made for the facilities at Diamond Ordnance Fuze Laboratories to be surveyed by personnel of the U. S. Army Environmental Health Laboratory.

Sincerely,

*Charles W. Kraul*
