WASHINGTON 25, D.C.

IN REPLY REFER TO
MEDPS-PO

7 August 1962

Isotopes Branch
Division of Licensing and Regulation
U. S. Atomic Energy Commission
Washington 25, D. C.

Gentlemen:

The inclosed letter from Diamond Ordnance Fuze Laboratories, Washington 25, D. C. provides additional information to support their request for application for Byproduct Material License (Strontium-90). Request that this application be approved.

Arrangements are being made for the facilities at Diamond Ordnance Fuze Laboratories to be surveyed by personnel of the U. S. Army Environmental Hygiene Agency.

Sincerely,

1 Incl
