SUBJECT: Resubmitted Indian Point Units 1, 2 and 3 Physical Security, Training and
Qualification, and Safeguards Contingency Plan (TAC Nos. MC2929 and MC2930)

Dear Sir:

Entergy Nuclear Operations, Inc., (ENO), has responded to requests for additional information (RAIs) (References
1 through 4). Our responses to these RAIs (References 5 through 11) identified changes to the Security Plan
submitted for NRC review on April 29, 2004. This letter re-submits the plan in its entirety in Attachment 1. The
language presented in our responses has been incorporated into the plan. During our final review changes were
identified that were not addressed in our prior correspondence. These changes were editorial and substantive in
nature. Attachment 2 identifies substantive changes and where they have been previously accepted by NRC. The
submittal consists of this letter and a single CD-ROM. The CD-ROM contains four files each presented in pdf
format:

- 001- Transmittal Letter NL-04-114.pdf 1199 kbytes
002- NL-04-114Attachment 1.pdf 1247 kbytes
003- NL-04-114Attachment 2.pdf 66 kbytes
004- Signed Security Plan Cover Page.pdf 352 kbytes

This letter contains no new commitments. If you have any questions or require additional information, please
contact Mr. Patric W. Conroy, Manager, Licensing at (914) 734-6668.

I declare under penalty of perjury that the foregoing is true and correct. Executed on September 9, 2004.

Sincerely,

[Handwritten signature]

Fred R. Dacimo
Site Vice President
