Hon. Nils J. Diaz  
Chairman  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

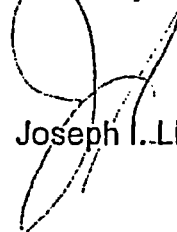

Dear Chairman Diaz:

I am enclosing a copy of an e-mail which I recently received from one of my constituents, Mark Esposito, who expressed concern about safety and environmental issues related to the Millstone nuclear power plant.

I would appreciate it if you would provide me with a response that addresses the issues my constituent has raised.

Thank you for your attention to this matter.

Sincerely,

Joseph I. Lieberman

Start:

Senator Lieberman

I'm very concerned about storage of nuclear waste in my community specifically Dominion Nuclear Connecticut's Millstone facility. Also of great concern is the report of chemical and radiologic pollutants at the Millstone site. Please use all the power of your office to halt all activities at the Dominion Nuclear Connecticut's Millstone facility. Nuclear power generation is a scourge on the environment that will persists for many generations to come.

Sincerely,

Mark Esposito
