Emergency Response Data System Data Point Library

In accordance with 10 CFR 50, Appendix E, Section VI.3.a, this letter provides notification of a change to a transmitted data point in the Palisades Emergency Response Data System (ERDS) Data Point Library. Data point RIA0202A, "RCS LETDOWN RAD," has been removed. This data point measured radiation levels in the primary coolant system letdown line. The instrument that supplies this data point is currently isolated and will not be returned to service. Nuclear Management Company, LLC has a pending plant modification for removal of the instrument that provided this data point. A completion date for the pending plant modification for the complete removal of this instrument has not been established.

Summary of Commitments

This letter contains no new commitments and no revisions to existing commitments.
