Dear Director General Eibenschutz:

The U.S. Nuclear Regulatory Commission (NRC) and Comision Nacional de Seguridad Nuclear y Salvaguardias (CNSNS) have long been cooperating in the area of nuclear safety and reactor oversight. Participation in the NRC Resident Inspector meetings is an example of our cooperation in this area. Resident Inspector training is also listed as one of our bilateral cooperative points under the NRC-CNSNS Matrix of Cooperation.

The NRC was pleased to have Mr. Humberto Arambula of the CNSNS attend a Resident Inspector meeting in 2003. Therefore, we would like to extend an invitation to the CNSNS to attend the upcoming Region IV Resident Inspector Meeting scheduled for October 12-15, 2004, in Arlington, Texas.

Please contact Cindy Rosales Bush, in the NRC Office of International Programs at (301) 415-1168 with information regarding CNSNS participation in the meeting.

Sincerely,

/RA/
