PUBLIC MEETING ON ICRP RECOMMENDATIONS

On June 29, 2004, we notified you that the International Commission on Radiological Protection (ICRP) has released the draft ICRP 2005 recommendations for public consultation on their web site. Consultation is open through December 31, 2004, and ICRP plans to post consultation comments received on their website.

I am writing to inform you of a public meeting that will be held to discuss the draft ICRP 2005 recommendations. On the afternoon of September 15, 2004 the ICRP Chairman and Vice-Chairman will be hosting a public meeting that will be sponsored by ISCORS and hosted at NRC Headquarters. The attached file is the page from the August 17, 2004, Federal Register notice which contains the announcement of the public meeting.

Once again, the recommendations can be located at the following internet address:

Thanks, Paul
