The revised cost ceiling is due to an increase in the level of effort from 120 staff hours per year to 188 staff hours per year. There are no other changes to the Task Order Statement of Work. Therefore, the contractor shall perform the required services in accordance with existing requirements.

This Modification No. 1 obligates \$13,184.50, thereby raising the total obligated amount from \$15,000.00 to \$28,184.50. The obligated amount shall, at no time, exceed the task order cost ceiling \$28,184.50, for the Task Order period of performance October 18, 2003 through October 17, 2005. When and if the amount(s) paid and payable to the Contractor hereunder shall equal the obligated amount, the Contractor shall not be obligated to continue performance of the work unless and until the Contracting Officer shall increase the amount obligated with respect to this task order. Any work undertaken by the Contractor in excess of the obligated amount specified above is done so at the Contractor's risk.
