In the Matter of
DUKE ENERGY CORPORATION
(Catawba Nuclear Station Units 1 and 2)
Docket Nos. 50-413-OLA, 50-414-OLA

Dear Ms. Curran:

This is to confirm our earlier telephone conversation wherein I informed you of the NRC Staff's determination that you and Dr. Edwin S. Lyman shall have access to Duke Energy Corporation's Physical Security Plan (Plan) for the Catawba Nuclear Station submitted to the NRC in April, 2004. The Staff intends to make the Plan (with appropriate redactions) available for your review no later than October 1, 2004.

Please contact me at 301-415-1797 to set up a time during which you can access the documents at NRC Headquarters in Rockville, Maryland.

Sincerely,

/RA/

Antonio Fernández
Counsel for NRC staff
