Subject: Briefing for Carl on status of clearance

I just spoke with Marty and he believes we should have a good outline for Carl before we brief him on the status of the clearance rule, to include an integrated schedule. Therefore, we plan to only brief Carl on Monday on DS-161 as a prebrief for McGaffigan on Tuesday. Cheryl, I think we can let him know about the NCRP decision too. I'll give Roberto a heads up on Monday morning and reschedule something later next month on the status.

Thanks, Trish
