Dear Dr. Nils J. Diaz

I am writing to inform you that I have been appointed as the Executive Director of Japan Atomic Energy Research Institute as of August 24, 2004. I am in charge of the matters including international cooperations which Mr. Kimura had previously supervised.

I would like to take this opportunity of expression my wish that you would favor me with such cooperation and support as you kindly extended to Mr. Kimura.

I wish that would be further strengthened a close and fruitful relationship between our two organizations.

Sincerely yours,
