Docket Nos: 50-220
50-410

U.S. Nuclear Regulatory Commission
ATTN: Document Control Desk
Washington, DC 20555-0001

SUBJECT: Second Amended Supplemental Response to the April 29, 2003 Orders to Nine Mile Point Nuclear Station, LLC

The Nuclear Regulatory Commission (“NRC”) issued an Order dated April 29, 2003, requiring compliance with Revised Design Basis Threat (“Order EA-03-086” or “Order”) and other security related Orders (collectively “Orders”) for Nine Mile Point Nuclear Station, Units 1 and 2. By letter dated April 28, 2004 (Reference a), Nine Mile Point Nuclear Station, LLC (“NMPNS”), submitted its Supplemental Response to Order EA-03-086. The Supplemental Response included, as Attachment A, revisions to the NMPNS Physical Security Plan, Safeguards Contingency Plan, and Training and Qualification Plan, as required by the Order.

On September 9, 2004, NMPNS submitted an Amended Supplemental Response (Reference b) that included revisions to the security plans. The revised plans incorporated our responses to several Requests for Additional Information (“RAIs”) received from the NRC subsequent to the submittal of the original Supplemental Response.

This Second Amended Supplemental Response is being submitted to incorporate additional changes to the security plans requested by Mr. James Creed of the NRC Security Plan Review Team in telephone conversations with a representative of NMPNS on September 22 and 23, 2004. We are also incorporating changes related to owner controlled area surveillance and response based on correspondence dated September 21, 2004, from Mr. S.A. Morris of the NRC’s Office of Nuclear Security and Incident Response (Reference c).

Our supplemental responses of April 28th and September 9th are amended via the enclosure to this letter only. All other information provided in those supplemental responses remains unchanged and is unaffected by this Amendment.

NOTE: THE ENCLOSURE TO THIS LETTER CONTAINS “SAFEGUARDS INFORMATION” AND MUST BE PROTECTED ACCORDINGLY. UPON SEPARATION FROM THE ENCLOSURE, THIS LETTER IS “DECONTROLLED.”
