Dear Sir or Madam:

The Security Plan changes requested during recent NRC discussions and by reference 1 have been made and incorporated into a complete new copy of the RBS Security Plan on the enclosed CD ROM.

In order to standardize our fleet approach with the NRC-approved industry approach, Entergy's responses to Order EA-03-086 and RAIs were based on NEI-03-12, "Template for the Security Plan, Training and Qualification Plan, Safeguards Contingency Plan" Revision 1 and subsequent guidance provided by NEI and approved by the Staff.
