Mr. John B. Brellenthin  
Environmental Manager  
Browns Ferry Nuclear Plant  
Post Office Box 2000  
Decatur, AL 35609

Dear Mr. Brellenthin:

We have received and reviewed your April 29, 1996, letter which requests the designation of Browns Ferry Nuclear Plant as a Minor Source under Title V of the Clean Air Act Amendments of 1990. Based on your worst case analysis, we have concluded that it appears Browns Ferry is a Minor Source and does not require any permitting under Title V.

Should future operations at Browns Ferry change from what they are at present, a re-evaluation of Title V applicability may be necessary.

If you have any questions please call Mr. Nathan Hartman at 334-271-7861.

Sincerely,

Phillip D. Davis, Chief  
Industrial Minerals Section  
Engineering Services Branch  
Air Division
