RE: Prehearing Conference Call Scheduled for October 19, 2004

Dear Licensing Board Members:

During the September 23, 2004 prehearing conference call, the Board scheduled a second prehearing call for October 19, 2004 at 2pm, EST. Senior counsel for the Intervenor, Howard Learner, would like to be on this call but has an unavoidable conflict at the proposed time. Therefore, the Intervenor request that the call be held at 11am, EST on October 19, 2004. Undersigned counsel has confirmed that this proposed time would work for the NRC Staff and Exelon. Intervenor are also available at noon EST on October 19, 2004, if that time works better for the Board.

Respectfully,

Shannon Fisk
