Dear Mr. Reig:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I would like to nominate representatives to the Program Review Group (PRG) and Management Board (MB) for the Studsvik Cladding Integrity Project (SCIP). In your letter dated 29 July 2004, you noted that it is "not unusual" for PRG and MB meetings to be held back-to-back and, as a result, PRG members are frequently also MB members in order to minimize travel. Given that understanding, I would like to nominate Dr. Ralph O. Meyer to serve as the NRC's representative to both the PRG and MB for the SCIP. I also understand that Carlo Vitanza and Hans Johansson are aware that Dr. Meyer plans to attend the forthcoming PRG and MB meetings in Studsvik, Sweden, on November 8–10, 2004. We look forward to working with you on this worthwhile endeavor.

Sincerely,
