RE: NMP Relicensing

Dear Mr. Dam:

As requested during the meeting held at the Oswego County Office Building on September 22, 2004, please find enclosed copies of the following documents that highlight the economic development activity in Oswego County.

- Operation Oswego County's Annual Reports for 2003, 2002, 2001, and 2000.
- All About Oswego County
- Oswego County Business Guide
- Operation Oswego County's newsletters published in 2004.

Hope this information will be helpful. As noted in the meeting, Constellation is the largest private sector employer in the County. Its economic contributions to the area is tremendous. The energy industry is welcomed here and we, as an economic development organization, fully support the efforts to have the license renewed for Nine Mile Point.

Please let me know if we can provide any additional assistance.

Sincerely,

OPERATION OSWEGO COUNTY, INC.
