Visionary Solutions is hereby directed to give immediate effect to the change identified below. The purpose of this contract modification is to revise the course manual for the NRC's course, "Transportation of Radioactive Materials," (H-308) to incorporate changes in regulations to 49 CFR Parts 171-189 and 10 CFR Part 71. In addition, this modification obligates additional funding and changes the course instructor identified under the Key Personnel clause.

1. Section B.4.2. (c) Course Preparation and Presentations on page B-2 of the contract is modified to add the following requirement:

The contractor shall revise the course manual, course examination database, and course presentation materials to incorporate the changes in 49 CFR Part 171-180 in HM-230; and 10 CFR Part 71 which appear in the Federal Register on January 26, 2004, "Compatibility With IAEA Transportation Safety Standards (TS-R-1) and Other Transportation Safety Amendments."

The contractor will provide two copies of the draft revised course manual, course presentation materials, and course exam database in both a hard copy and electronic format for review to be coordinated by the NRC Project Officer. The NRC Project Officer will provide comments on the draft course materials within twenty (20) working days of receipt of the draft course materials. For purposes of this effort, a work day excludes weekends (Saturday and Sunday), and U.S. Government recognized holidays.

The contractor shall provide two copies of the proposed revised course student and presentation materials in both hard copy and electronic format within twenty (20) working days of receipt of the NRC's comments on the draft course material. The NRC shall provide the contractor with any comments on the proposed revised course materials within ten (10) days of receipt. The contractor shall provide the final revised course materials to the NRC within ten (10) days of receipt of the NRC's comments to the proposed revised materials.

#### Schedule:

- October 1, 2004: Contractor provides draft revised course materials to the NRC  
November 1, 2004: NRC provides comments on the proposed draft revised course materials to the contractor  
December 1, 2004: Contractor provides proposed revised course materials  
December 15, 2004: NRC provides comments on proposed revised course materials to the contractor  
December 30, 2004: Contractor provides final revised course materials to the NRC

2. Section C.10 Key Personnel on page C-11 of the contract is modified to substitute [REDACTED] as course instructor.
3. Funds in the amount of \$35,115 are hereby obligated under the contract. As a result, the total amount obligated is increased to \$80,479.92

Visionary Solutions is requested to provide a proposal for adjustment within twenty calendar days of the effective date of this change order. Upon completion of negotiations, a supplemental agreement will be issued to incorporate an equitable adjustment for this change.

Except as provided herein, all other terms and conditions remain unchanged and in full force and effect.
