SUBJECT: INSPECTION 99990001/2003005, TRUELOVE AND MACLEAN

Dear Mr. Langerbiens:

This letter refers to your September 17, 2004 correspondence, in response to our August 23, 2004 letter. Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

In addition, as Jenny Johansen of my staff discussed with you on January 4, 2004, by telephone, 10 CFR 31.5(c)(15) requires that the gauges currently in storage at 600 S Brandywine Avenue in Downingtown, PA, can only be held in storage for 2 years. The gauges will have to be properly transferred or disposed of by September 2005.

Your cooperation with us is appreciated.

Sincerely,
