Christine, Anne, Jim -

Thanks for the update regarding Jim's conversation with the requester (msg. below). I spoke to the requester after Jim's telephone conversation with Mr. Henderson. The requester has indeed withdrawn his request based on the information provided to him from the web site and his telephone conversation with Jim.

Special thanks to everyone for so promptly assisting me in responding to the requester's needs.

Gigi

Please see the attached. FYI

Anne,

I received a call from Bruce Henderson with the Charlotte Observer today at about 2:30 pm after a round of phone tag. We spoke for about 15 minutes, and I provided detailed answers to his questions, which were all straightforward, predictable, and factual in nature. I had obtained from the licensee the Catawba siren data for the 3rd quarter (officially submitted to NEI but not yet posted to our website), and provided that to him. I had the impression that he had procured all the information he had sought via the FOIA request, and it wouldn't surprise me if he doesn't pursue it further.

Jim
