Subject: Dec 7 site for public hearing in Louisa about North Anna EIS

I would like to know site and time of EIS hearing on North Anna expansion set for Dec. 7. I would also like information on where to access the EIS which is to be issued on Nov. 12. If citizens cannot attend the public hearing, can they make public comment on some NRC site that will become part of the public record? Please let me know - Thank you, Elena Day

Dear Ms. Day

My name is Jack Cushing and I am the NRC project manager for the North Anna early site permit environmental review. When the DEIS is issued, it will be made available on the web under the ESP page, <http://www.nrc.gov/reactors/new-licensing/license-reviews/esp.html>.

The meeting arrangements are not yet set, but will be announced by the time we issue the DEIS, and there will be a 75 day comment period after the DEIS is issued. Members of the public can, in addition to the public meeting, submit comments electronically, by mail, or in person. The addresses are listed below.

Electronic comments may be sent by the Internet to the NRC at NorthAnna_ESP@nrc.gov.

Written comments on the DEIS for the North Anna ESP can be mailed to:

Chief, Rules and Directives Branch, Division of Administrative Services, Office of Administration, Mailstop T-6D59,
U.S. Nuclear Regulatory Commission,
Washington, DC 20555-0001,

Comments may also be delivered to Room T-6D59, Two White Flint North, 11545 Rockville Pike, Rockville, Maryland, from 7:30 a.m. to 4:15 p.m. during Federal workdays.

Thank you for your interest,

Sincerely,
