Updated Security Plan

On September 30, 2004, Nuclear Management Company, LLC (NMC) submitted a revised Prairie Island Security Plan in response to the NRC's Order dated April 29, 2003, Requiring Compliance with Revised Design Basis Threat. Subsequent to that submittal, NMC has become aware of additional needed changes, through conversations with members of your Staff. No other changes have been made beyond those discussed with your Staff. NMC hereby submits the enclosed updated Security Plan to replace the previously submitted version in its entirety.
