Attached is a filing that may be of some help to you. Also, the Board set Oral Arguments for Feb. 25. This hearing will be here in Rockville. The Board ask the lawyers to have their technical experts with them. Lisa will provide us more details when the Board issues its Order. Therefore, please set this day aside for attending the hearing. If you have a conflict please let me know so that we can try to work it out with OGC. Finally, how are you doing drafting responses to CAN's interrogatories.
