Subject: Comments on WCAP-15996-P, Rev. 00 Draft Safety Evaluation (Task 2061)

Reference: Letter, R. Gramm (NRC) to G. Bischoff (WOG), "Draft Safety Evaluation for Topical Report WCAP-15996P, 'Technical Description Manual for CENTS Code' (TAC No. MB6982)" dated September 15, 2004.

WCAP-15996-P, Rev. 00, "Technical Description Manual for the CENTS Code," was submitted by the Westinghouse Owners Group (WOG) for NRC review and approval on December 13, 2002. On September 15, 2004, the staff issued the reference draft safety evaluation for this report.

The purpose of this letter is to advise that Westinghouse has reviewed the draft safety evaluation for proprietary content, and to identify any factual errors or clarity concerns contained in the safety evaluation. This review concluded that the draft safety evaluation does not contain any proprietary information, nor does Westinghouse have any suggested modifications to the draft safety evaluation.

If you have any questions concerning this matter, please feel free to call Paul Hijeck at 860-731-6240.

Sincerely yours,

Frederick P. "Ted" Schiffley, II, Chairman
Westinghouse Owners Group
