Dear Mr. Hueter,

This letter represents a request for an amendment to our current NRC license. These changes correspond to item number 11a of our current license document.

License Item 11a (Conditions):

This item currently reads, "The Radiation Safety Officer (RSO) for this license is Frank Kinor, Jr., and the alternate Radiation Safety Officer (RSO) is Gary Behnke". We would like to amend this item to read as follows, "The radiation Safety Officer (RSO) for this license is Gary Behnke, P.E.". Mr. Kinor is no longer with the company.

If there are any questions or concerns relative to this information, please contact us.

Respectfully,

Gary Behnke, P.E.
Radiation Safety Officer
