RE: Mail Control No. 110394

Dear Mr. Bellamy:

The status of the decontamination of the Gamma Industries facility, Port Norris, New Jersey has been an ongoing issue for the past several years, and GNI is anxious to resolve this issue.

Mr. Acree and I have discussed the upcoming site visit by Mr. Shaffer and Mr. Acree plans to be present during the visit. Please have Mr. Shaffer contact Mr. Acree to make final arrangements.

Sincerely,  
THE GNI GROUP, INC.
