SYNOPSIS

This investigation was initiated by the U.S. Nuclear Regulatory Commission, Office of Investigations (OI), Region I (RI) Field Office, on May 8, 1998, to determine whether a [redacted] Salem Generating Station, Unit 1, Public Service Electric & Gas Company, was discriminated against for raising concerns regarding management practices and policies. The [redacted] alleged that PSE&G suspended [redacted] 7C

After a preliminary review of this matter and coordination with the Regional Administrator, it has been determined that, due to OI:RI pursuing investigations with higher priorities, this matter is being closed.
