On November 9, 2004, the Licensing Board issued a Memorandum and Order that, as relevant here, directed the participants in this proceeding (i.e., the Pennsylvania Department of Environmental Protection, Safety Light Corporation, and the NRC Staff) to set aside Wednesday, December 15, 2004, from 1:00 p.m. to 3:00 p.m., to conduct a telephonic prehearing conference. At this conference, the participants will advise the Board whether they believe this case may be amenable to alternative dispute resolution. To assure that the conference commences promptly at the scheduled time, all participants should access the conference a few minutes before 1:00 p.m. The conference will be stenographically transcribed.
