Dear Ms. Gabriel:

This letter is to request an amendment to our license removing our facility at 80-H Commerce Way Totowa NJ 07512 from the license. We discontinued all activities at the 80-H Commerce Way Totowa NJ 07512 June 25<sup>th</sup> 2004. Waste at 80-H Commerce Way was decayed in storage at that facility with all waste materials generated prior to June 25<sup>th</sup> 2004, stored for over 80 days. Waste remaining was assessed to be similar to background with a calibrated survey meter, and discarded after all radioactive labels were removed on October 10<sup>th</sup> 2004. Close out survey area and swipe tests were performed October 25<sup>th</sup> 2004 after the decayed waste was discarded, according to our previously described protocol and approved by our RSO and physicist, John Ramsey.

For questions regarding this amendment please call Justin Goggin, D.V.M. at 973-980-1407, or email me at metvetrad@aol.com. You may also contact John C. Ramsey at 908-788-9440.

Thank you for your assistance.

Sincerely,

Michael Palescandolo, DVM, President Metropolitan Animal Emergency Group, PA
