SUBJECT: Answer and Response to Orders for Interim Safeguards and Security Compensatory Measures and for Implementation of Additional Security Measures Associated with Access Authorization for Fort Calhoun Station

In accordance with 10 CFR 50.4, Omaha Public Power District (OPPDP) hereby submits information in response to the Orders for Interim Safeguards and Security Compensatory Measures and for Implementation of Additional Security Measures Associated with Access Authorization for Fort Calhoun Station (hereinafter "Orders") issued by the United States Nuclear Regulatory Commission (NRC) on November 9, 2004.

OPPDP consents to the Orders and specifically does not request a hearing. Attachment 1 contains a schedule for achieving compliance with each requirement of Attachment 1 to the Orders as well as a list of commitments.

I declare under penalty of perjury that the foregoing is true and correct. (Executed on November 24, 2004.)

If you have additional questions, or require further information, please contact Thomas R. Byrne at (402) 533-7368.

Requirement of Attachment 1 to the Orders

Attachment 1

Schedule and Commitments for Achieving Compliance with Each Requirement of Attachment 1 to the Orders

Order EA-04-185

OPPD will complete implementation of all of the requirements in Attachment 1 to Order EA-04-185 before spent fuel is placed in the Independent Spent Fuel Storage Installation (ISFSI). Spent fuel is currently scheduled to be placed in the ISFSI on April 1, 2006. (AR 36282)

Order EA-04-187

OPPD will complete implementation of the same compensatory measures for access authorization as described in Reference 1 below for the ISFSI as provided for in additional security measure A.2 of Attachment 1 of Order EA-04-187. This will be completed no later than the first day that spent fuel is initially placed in the ISFSI. Spent fuel is currently scheduled to be placed in the ISFSI on April 1, 2006. (AR 36282)
