Dear Dr. Thompson:

We have reviewed your request dated August 25, 2004, to add David C. Mena, M.D. to your NRC license No. 24-18655-01 and find that we need additional information. Since the American Board of Radiology did not grant its certificate to Dr. Mena on June 9, 2004, it is necessary to provide all the information listed on NRC form 313A (enclosed).

Please provide this information within 30 days and refer to control number 313689. If you have any questions concerning this request, please call me at 630-829-9873.

SUBJECT: ACKNOWLEDGMENT OF CORRESPONDENCE  
(Letter Dated 8/25/2004)

Dear Robert F. Thompson, M.D.:

In response to your request, we have completed the initial processing, which is an administrative review of your application for a(n):

New License                       Amendment                       Termination

No Administrative deficiencies were identified during this initial review. However, it should be noted that a technical review may identify omissions in the submitted information.

It appears that your request is routine (see 1-2 below, as applicable).

1. New and Amendment actions are normally processed within 90 days, unless we find major deficiencies, or policy issues requiring central program office assistance.
2. Termination actions are normally processed within 90 days, unless confirmatory surveys following decontamination/decommissioning activities are involved.

We will try to complete your request as soon as practicable. Any correspondence about this request should reference the control number(s). Please direct any questions concerning your request to the Materials Licensing Branch at (630) 829-9887.
