This letter is to certify that AEA Technology has received and accepted ownership of the radioactive material described in the attached letter pursuant to applicable regulations and as authorized by AEA Technology's Louisiana Radioactive Material license number LA-5934-L01. This receipt should be retained in your files as a permanent record showing the disposition of this radioactive material. If you are not the Radiation Safety Officer or responsible for maintaining regulatory records for radioactive material, please forward this letter to the appropriate person.

Sincerely,

Ronan Engineering Company
