Re: The Washington Hospital

License Number: 37-10363-01 Docket Number: 030-03126

Dear Licensing Assistance Team:

We would like to amend our NRC license, 37-10363-01, issued to The Washington Hospital to update the list of Authorized Users.

Additions

We would like to add the name of Becki Sue Hill as an authorized user for sources regulated by 10-CFR-35 Subpart F - Manual Brachytherapy (35.400: Use of Sources for Manual Brachytherapy). To show evidence of Dr. Hill's training and experience is a copy of her American Board of Radiology in Radiation Oncology certificate issued June 2002. Dr. Hill and her credentials were presented to Radiation Safety Committee during the September 2004 quarterly meeting. The Committee members unanimously voted to add Dr. Hill as and authorized user for brachytherapy sources.

Deletions

Please remove John A. Beel, M.D. and Kenneth A Edgar, M.D.

If any questions should arise please feel free to contact myself or our Radiation Safety Officer, Frank Ottino at 724-223-3008 / 724-223-3811 respectively.

Respectfully,

Lay & Wanten

Gary Weinstein Executive Vice President The Washington Hospital
