OFFICE OF THE
GENERAL COUNSEL

Stanley Bass, Staff Counsel
United States Court of Appeals
For the Second Circuit
40 Foley Square
New York, New York 10007

SUBJECT: CONNECTICUT COALITION V. U.S. NUCLEAR REGULATORY COMMISSION
50-336 LA-2

Dear Mr. Bass:

To avoid any misunderstanding, I want to clarify a statement I made at the pre-argument telephone conference regarding the status of the license amendment at issue in the above-referenced case. Although the NRC has completed its review on the license amendment issue raised in this case, the license amendment itself has not yet been granted. A different aspect of the proposed license amendment remains under review by the staff. A final decision on the license amendment will be made at a later date.

If you have any questions, please do not hesitate to call me at (301) 415-1614.

Respectfully,

Geraldine R. Fenst
Attorney
