The source left our building yesterday and all went well. I have received from J.L. Shepherd the confirmation of receipt of the source. I have completed most of the NRC Form 314, I am just waiting for J.L. Shepherd to provide me with the leak tests before I forward to you, requesting termination of license.

Thank you for your help.

NRC Form 314 may be downloaded from NRC Web site (nrc.gov) and feel free to call me if you experience difficulty in accessing our web site. I will be happy to fax a copy of the form to you.
