Memo To: Radiation Safety Officer
From: J.P. Jones, M.D., President
Subject: Delegation of Authority

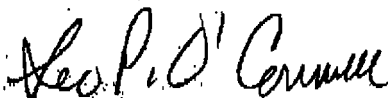

You, Leo O'Connell, M.D., have been appointed Radiation Safety Officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the radiation protection program: identifying radiation protection problems; initiating, recommending or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of radioactive material by employees who do not meet the necessary requirements and shutting down operations where justified by radiation safety. You are required to notify management of situations where staff are not cooperating and addressing radiation safety issues. In addition, you are free to raise issues with the Virginia Department of Health, Radiological Health Program or Nuclear Regulatory Commission at any time. You will directly manage the radiation safety program and be physically present at this facility (and any other use locations listed in the Radioactive Materials License) whatever time as may be necessary to ensure that the radiation protection activities are performed.

J. P. Jones, M.D., President

 Signature of Management Representative / Print or Type Name / Title

I accept the above responsibilities, 

Leo O'Connell, M.D.
